RE: FY2021 RAISE Grant Application – High Point on the RISE: Reimagining Infrastructure for Sustainability and Equity

Dear Secretary Buttigieg:

Peters Development, LLC strongly supports the RAISE grant application “High Point on the RISE: Reimagining Infrastructure for Sustainability and Equity” which is the result of a collaboration between the City of High Point, the North Carolina Department of Transportation (NCDOT), and other local stakeholders.

This multimodal project in the heart of Downtown High Point will improve access to transit, jobs, public resources, and opportunities for low-income communities of color. As part of a statewide and regional greenway spine identified in the NCDOT Great Trails State Plan, this project can be a national model for state, regional and local coordination to create a safer, more equitable, and better-connected multimodal transportation network for all users.

Peters Development, LLC is a full service commercial real estate development company based in High Point, NC. We support this project because it is what is best for High Point. This project will allow for better accessibility to many important areas of the City for all of our citizens. It is the goal of our company as well as the City of High Point to support and serve all of our City’s citizens and this project would provide the necessary infrastructure to help meet that goal.

By supporting these efforts, USDOT can showcase a project that aligns closely with its objectives under the Biden Administration's objectives, including enhancing access to opportunities for historically marginalized communities, creating an equitable transportation system that works for everyone, and transitioning to a more environmentally conscience network that prioritizes non-motorized users. This project will deliver healthy, climate-friendly, resilient, and integrated transportation options for residents and visitors of Downtown High Point. It will serve the City of High Point, the State of North Carolina, and its residents well for years to come.

Thank you for considering our application for RAISE Program funding.

Sincerely

Peters Development, LLC
