VISION FIRST

The Honorable Pete Buttigieg  
Secretary of Transportation  
U.S. Department of Transportation  
1200 New Jersey Avenue, SE  
Washington, DC 20590

February 10, 2023

Dear Secretary Buttigieg:

I am writing to express my support for the *Walk NC: Creating Safer Crossings for NC Communities* application for the Department of Transportation's Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant program for fiscal year 2023. This grant is being submitted by the North Carolina Department of Transportation (NCDOT).

WALK NC will fund pedestrian countdown signal heads, crosswalks, and accessible routes at signalized intersections in more than a dozen towns and cities in North Carolina. RAISE grant funding will improve pedestrian safety at hundreds of NCDOT-maintained signals in historically underserved communities.

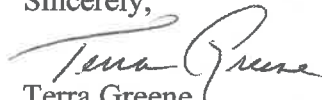

These proposed changes will improve accessibility for people at signalized intersections and provide pedestrians with dedicated WALK phases and marked crosswalks. Additional signal timing improvements will be implemented, and sidewalk gaps constructed where feasible and needed. These pedestrian improvements will address issues of social equity in communities by providing safe crossings and connecting networks, expanding access to jobs, healthy food, recreation, and social services.

The City of Lexington is an economically disadvantaged community where more than one quarter of all residents live below the poverty line and the median household income is 46% less than the State average. Many residents in Lexington depend on pedestrian facilities for daily functions, and this grant opportunity offers significant safety improvement opportunities.

The WALK NC improvements are important to the future of our North Carolina community. The partnerships between the selected communities and regional and state agencies will further connect and improve the quality of life. WALK NC will also foster innovation, growth, and overall vibrancy of our communities.

I respectfully urge your full and fair consideration of the *WALK NC: Creating Safer Crossings for NC Communities* grant application.

Sincerely,

  
Terra Greene  
City Manager
