The Honorable Pete Buttigieg
Secretary of Transportation
US Department of Transportation
1200 New Jersey Avenue, S.E.
Washington, DC 20590

Dear Secretary Buttigieg,

I am pleased to provide this letter of support for the **Growing Rural Equity and Access to Transportation in North Carolina (GREAT-NC)** application to the USDOT's 2023 Neighborhood Access and Equity (NAE) Program's Regional Partnerships Challenge Grant. GREAT-NC is partnership between North Carolina Department of Transportation (NCDOT) and the Great Trails State Coalition (GTSC), a diverse coalition of 87 agencies, municipalities and organizations advocating for increased state investment in all forms of non-motorized trails in North Carolina.

In North Carolina, rural and disadvantaged communities have fallen behind communities with more resources when it comes to the design and construction of biking and walking facilities. Compounding this challenge, in 2013 North Carolina lawmakers prohibited state funding for independent bicycle and pedestrian projects. As a result,

GREAT-NC will address these disparities by creating a construction-ready pipeline of approximately 147 miles of pedestrian and bicycle facilities found in the Great Trail State Plan and located in economically disadvantaged, rural communities, while building local capacity for project delivery to support the creation of safe and equitable bicycle and pedestrian access to daily destinations in rural North Carolina GREAT-NC will create context-sensitive transportation solutions that are more affordable, safe, and accessible for all.

Capitalizing on the momentum generated by the Great Trails State Plan and the designation of 2023 as North Carolina's "Year of the Trail" by the North Carolina General Assembly, NCDOT and GTSC will establish a robust capacity building program that includes a statewide conference, the creation of technical assistance positions to directly support communities implementing GREAT-NC projects, and the convening of the Cities, Towns and Counties for Trails Working Group to serve as a peer group for participating communities.

At WithersRavenel we are engaged with rural and small communities and understand the critical importance of alternative transportation systems to their quality of life.

Thank you for your consideration of the GREAT NC's application for funding through the NAE Regional Partnerships Challenge program.

Sincerely,

Brian H Starkey, PLA / ASLA
