

Your Piedmont Train is equipped with Wi-Fi!

Login Instructions:

PC Users:

Click the internet access icon:  on your laptop OR

Click Settings:  then click Wi-Fi:  on your mobile device.

Click on "Piedmont_Connect" from the list of available networks.

Your device will automatically be connected to the internet.

Apple/Mac Users:

Click the Wi-Fi icon:  on your laptop: OR

Click Settings:  then click Wi-Fi:  on your mobile device.

Click on "Piedmont_Connect" from the list of available networks.

Your device will automatically be connected to the internet.

Note – if security settings are set to ASK FIRST, click YES to connect.

- Open your web browser. You will automatically be taken to the Piedmont Connect login page.
- Click the box beside "Accept Terms & Conditions"
- Click "Connect." You are now online!

If you are experiencing connectivity issues, please contact ViaSat tech support at 800-706-9751. NCDOT Volunteer Train Hosts may assist with the logon process, but cannot provide troubleshooting assistance.

Thank you for using Piedmont Connect Wi-Fi service!

This Wi-Fi service is brought to you by ViaSat Managed Wi-Fi Services courtesy of NCDOT.
