

PRESERVATION, REHABILITATION & REPAIR

PROJECT SPECIAL PROVISIONS

STRUCTURES AND CULVERTS

(Available via the Structures Management Unit web site)

PROJECT NO. _____ COUNTY _____ BRIDGE NO. _____

PSP No.	Title		Last Revised
1	LMC Overlay Surface Preparation	<i>See Footnote 4</i>	2-11-19
2	Concrete Work for Joint Replacement	<i>See Footnote 3</i>	2-11-19
3	Latex Modified Concrete Overlay		2-11-19
4	Latex Modified Concrete Overlay– Very Early Strength		8-8-22
5	Elastomeric Concrete for Preservation		2-11-19
6	Strip Seals for Preservation		8-8-22
7	Preformed Silicone Expansion Joint Seal	<i>See Footnote 5</i>	2-11-19
8	Volumetric Mixer		12-18-12
9	Concrete for Deck Repair	<i>See Footnote 3</i>	2-11-19
10	Epoxy Resin Injection		8-8-22
11	Epoxy Mortar Repairs		2-11-19
12	Shotcrete Repairs		8-8-22
13	Concrete Repairs		2-11-19
14	Cleaning and Painting Existing Bearing Plates		2-11-19
15	Painting Existing Structure		2-11-19
16	Painting Existing Weathering Steel Structure		2-11-19
17	Under Structure Work Platform		12-5-12
18	Falsework and Formwork	<i>See Footnote 1</i>	4-5-12
19	Submittal of Working Drawings	<i>See Footnote 1</i>	1-29-21
20	Crane Safety	<i>See Footnote 1</i>	6-20-19
21			
22	Maintenance of Water Traffic		12-5-12
23	Work In, Over or Adjacent to Navigable Waters		12-5-12
24	Securing of Vessels	<i>See Footnote 2</i>	10-12-01
25			
26	Concrete Deck Repair for Epoxy Overlay	<i>See Footnote 6</i>	8-8-22
27	Epoxy Overlay System I	<i>See Footnote 7</i>	8-8-22
28	Epoxy Overlay System II	<i>See Footnote 8</i>	8-8-22
29	Latex Modified Concrete Overlay-Early Strength		8-8-22

30	Overlay Surface Preparation for Polymer Concrete	<i>See Footnote 9</i>	8-8-22
31	Polymer Concrete Bridge Deck Overlay		8-8-22
32			
33			
34			

FOOTNOTES

1. Use this Special Provision on all projects.
2. Use “Securing of Vessels” on projects with navigable waterways.
3. When using “Concrete Work for Joint Replacement”, also include “Volumetric Mixer” and “Concrete for Deck Repair”.
4. When using “LMC Overlay Surface Preparation”, also include “Concrete for Deck Repair”.
5. When using “Preformed Silicone Expansion Joint Seal”, also include “Elastomeric Concrete for Preservation”.
6. When using “Epoxy Overlay System”, also include “Concrete Deck Repair for Epoxy Overlay”.
7. Use this Special Provision when $ADT > 5,000$.
8. Use this Special Provision when $ADT \leq 5,000$.
9. When using “Overlay Surface Preparation for Polymer Concrete”, also include “Concrete for Deck Repair”.
