MEMORANDUM TO: All Project Special Provisions Holders
FROM: Daniel C Muller, P. E.
DATE: January 23, 2015
SUBJECT: NEW PROJECT SPECIAL PROVISIONS

In accordance with the Metal Bridge Rail policy memo dated 1/23/2015, two Project Special Provisions (PSPs) have been added to the Design PSP lineup.

Also, another new PSP detailing requirements for Mass Concrete has been added.

The Structures Management Homepage has been updated and the Project Special Provisions are available at the following URL:

<https://connect.ncdot.gov/resources/Structures/Pages/Project-Special-Provisions.aspx>

The following table provides information on the PSPs that were added or removed. The PSP updates are effective for all new projects and any existing projects in the early stages of design.
