E. NORRIS TOLSON
SECRETARY

MEMORANDUM TO: Project Engineers
Project Design Engineers
FROM: W. J. Rogers, P.E.
State Bridge Design Engineer
DATE: March 26, 1999
SUBJECT: REMOVAL OF BRIDGES OVER WATER

An additional sentence has been appended to the standard note transmitted in the memorandum dated March 25, 1999. The note, in its entirety, is provided below. This note must be placed on the General Drawing of all bridge plans in which an existing bridge, or portion thereof, shall be removed from over water.

The existing bridge shall be removed by sawing and/or non-shattering methods such that debris will not fall into the water. The contractor shall submit the plan for the bridge demolition to the Resident Engineer for the Resident Engineer's review and approval.

This note shall be placed on all applicable plans effective with the May 1999 letting. The Design Manual will be revised at a later date.
