FROM: Trey H. Carroll, P. E.

DATE: November 19, 2019

SUBJECT: PRESERVATION PLANS STANDARD NOTES

For uniformity of Preservation plans, standardized Preservation Notes have been developed.

The Structures Management Unit website has been updated to include a Preservation lineup, which is available at the following URL:

<https://connect.ncdot.gov/resources/Structures/Pages/Drawing-Submittal-Status-and-Design-Notes.aspx>

The following tabs have been created in the Structures Management Plan Notes generator to accommodate the preservation notes, similar to the design notes tabs:

- "PRR Deck Repair Notes"
- "PRR General Drawing Notes"
- "PRR Scope of Work"
- "PRR Substructure"
- "PRR Superstructure"
- "PRR Structural Steel"

The updates are effective immediately.
