Transmittal Form
Revisions to Structure Standards

MEMORANDUM TO: Project Engineers
Project Design Engineers

FROM: B. C. Hanks, P.E.
State Structures Engineer

DATE: December 1, 2017

SUBJECT: REVISIONS TO STANDARD DRAWINGS AND NOTES

The Standard Drawings have been updated for the 2018 *Standard Specifications* and are available on both the network drive and the Structures Management Unit web page. Most of the revisions entailed updating the notes for references to the specifications and special provisions.

The Standard Notes have also been updated for the 2018 *Standard Specifications* and are available on both the network drive and Structures Management Unit web page.

These revisions are effective with the January 2018 letting.
