

State Floodplain Compliance (SFC) Frequently Asked Questions

Updated January 13, 2022

Will the new guidance (CCP) have to be followed if a BSR/CSR must be re-sealed after 1/3/2022 due to comments from a review being performed under the August 12, 2016 MOA?

No, the project would still follow the August 12, 2016 MOA guidelines if the initial submittal BSR/CSR was sealed prior to 1/3/2022 and the changes were due to review comments.

Do all the WSELs on the BSR/CSR need to be displayed the hundredths?

No, only on the WSEL's on the FEMA Performance Table will be displayed to the hundredths.
