Subject: A New Hydraulics News Bulletin is Now Available

Hello there,

We here at NCDOT Hydraulics Unit have a new news bulletin available for your viewing pleasure, please have a look:

Headline: Minor Updates to the Highway Floodplain Program's Coordination and Compliance Plan (CCP)

Content:

The [Coordination and Compliance Plan for Department of Transportation and Emergency Management](#) has been updated to correct an error in guidance relating to when a project can be classified as Type A and B. A few other minor updates were also implemented. Please see the Revisions Sheet below for a summary of the changes.
