

North Carolina Animal* Related Crashes

2016 – 2018 *County Rankings and Crash Data*

Matthew F. Cowhig, P.E.
Traffic Safety Unit
Transportation Mobility and Safety Division
North Carolina Department of Transportation

Revised: April 2019

***Data in this report was obtained by utilizing the “Animal” flag indicator on the North Carolina Collision Report Form. These numbers may vary from other studies due to the manner in which the data was analyzed.**

Current NC Collision Report Forms do not distinguish between animal types. However, data analyses shows that approximately 90% of all reported animal related crashes involve deer.

Statewide Animal Crashes - County Rankings
