MEMORANDUM

TO: Division Engineers

FROM: J. K. Lacy, PE
State Traffic Engineer

W. S. Varnedoe, PE
Chief Engineer – Operations

SUBJECT: North Carolina Supplement to the Manual on Uniform Traffic Control Devices

We are pleased to announce that the "2004 Edition of the North Carolina Supplement to the Manual on Uniform Traffic Control Devices" (NCSMUTCD) has been adopted. This supplement is a complement document to the "Manual on Uniform Traffic Control Devices – 2003 Edition" (MUTCD) and contains standards for traffic control devices that are specific to North Carolina.

The new supplement contains Part 1 – General Provisions, Part 2 – Signs, Part 4 – Highway Traffic Signals, and related signing sections for Parts 7, 8 and 9.

Attached for your use are three (3) paper copies of the adopted supplement. We will not be issuing any further paper copies; but rather, making the supplement available through the department's web page at:

<http://www.doh.dot.state.nc.us/preconstruct/traffic/MUTCD>

The document may be downloaded and printed from this site. Revisions to the supplement will be incorporated into the downloadable file as they take effect.

If general information is needed with regard to the supplement, please contact Traffic Engineering Branch Staff Engineer Ken Ivey, PE at (919) 715-7736. For information on Part 2 – Signs and Parts 7, 8 and 9, contact Signing Engineer Ron King, PE at (919) 250-4145. For information on Part 4 – Highway Traffic Signals, contact Signals and Geometrics Engineer Richard E. Mullinax, PE at (919) 733-5569.
