✓ NC ROUTE CHANGES

The following ordinances were introduced by Commissioner \_\_\_\_\_, seconded by Commissioner \_\_\_\_\_, and upon being put to a vote were duly adopted:

WHEREAS, it is in the public interest and is needed for direction of unfamiliar drivers and the simplification of signing; and

WHEREAS, it appears that certain changes and modifications should be made in the existing designation of NC route numbers;

NOW, THEREFORE, BE IT HEREBY ORDAINED that certain changes be made in the NC route numbered system as follows:

Ashe County

RK

Establish new NC Route No. 163 beginning at the junction of SR 1002 and NC 16 near Horse Gap and extending northwestward along SR 1002 to the junction of US 221 south of West Jefferson, a distance of 9.2 miles. This NC route usurps the entire routing of SR 1002 and, therefore, SR 1002 will be abolished.

Guilford County

RK

Extend NC 61 from its present terminus at US 70-A for a distance of 12.17 miles northward over SR 2757 to NC 100, thence along NC 100 to Gibsonville and the junction of SR 2746, thence along SR 2746 to the junction of SR 2724, and thence northward along SR 2724 to the intersection of NC 150 at Osceola. All of SR 2757 and all of SR 2724 and that part of SR 2746 from NC 100 to its junction with SR 2724 will be deleted from the secondary system.

Lee County

RK

Remove NC 78 from Main Street for one block between Woodland Avenue and Lee Street in Sanford. Extend NC 78 from its new terminus at intersection of Main St. and Woodland Ave. northwestward along Woodland Ave. for a distance of 1.49 miles which is now designated as SR 1118 to its junction with Lee Street (US 421) near Rock St. SR 1118 will be deleted and the one block of Main Street between Woodland Avenue and Lee Street will revert to county road system.

Enacted Dec. 7, 1961

NC ROUTE CHANGES  
(Contd.)

Buncombe County

*rk*  
Remove the routing of NC 112 beginning at the Henderson-Buncombe County line, and from this point along NC 112 to the junction with US 19-23 near Candler, thence along US 19-23 to the junction with US 19-23 and NC 112 near Enka. Re-establish route number NC 151 from this same beginning point at the Henderson-Buncombe County line to the junction with US 19-23 near Candler.

Greene, Wayne, Sampson, Cumberland Counties

*rk*  
Delete NC 102 from that section which now also carries US 13 which has recently been extended. Specifically, allow NC 102 to begin at its present beginning at its junction with US 17 in Beaufort County and extend westward to terminate at its junction with US 13 three (3) miles north of Snow Hill. The remaining portion of NC 102 will be abolished which is that portion from its junction with US 13 3 miles north of Snow Hill to Snow Hill to Goldsboro to Newton Grove and terminating at US 301. NC 102 will be reduced in length from 106.14 miles to 32.97 miles. The short distance of 0.5 mi. of NC 102 between US 301 and Interstate Route No. 1-95 will revert to secondary road system.

Enacted Dec. 7, 1961
