Terminal Manager
Estes Express Lines
Post Office Box 941
Dobson, North Carolina 27017

Dear Mr. Jones:

This is to provide you with notification that one of your three requests for twin-trailer truck access to the Estes Express Lines terminal in Dobson has been approved. The approved route, which is a modification of Request #3, is described below:

* Beginning at the intersection of US 421 and US 601 in Yadkinville, Yadkin County proceeding in a northerly direction along US 601 to the intersection of NC 268 and US 601 in Surry County.

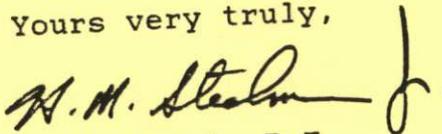

The portion of Request #3 that runs between I-40 and US 421 is not approved. Both I-40 and US 421 are National Truck Network roads and connector routes between such roads are not allowed under the rules and regulations pertaining to Reasonable Access.

Route Request #1 which runs along SR 1138 from I-77 to NC 268, then along NC 268 to US 601 and Route Request #2 which runs along SR 1001 from I-77 to US 601 Business in Dobson, along US 601 Business to US 601, and then along US 601 to NC 268 are also denied. This is based on the approval of Route Request #3, a higher incidence of accidents, narrow shoulders, sharp curves and only 19 1/2 feet of pavement width on NC 268.
