Dear Mr. Houchins:

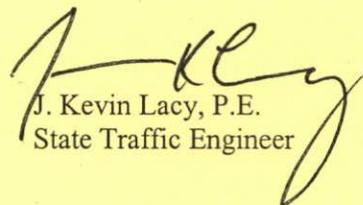

Our investigation of your STAA reasonable access route request to the Virginia/North Carolina State line in Rockingham County is complete. At this time, we have found this to be acceptable by traffic engineering standards and hereby grant approval for your firm to run STAA dimensioned vehicles along this route. The approved route is described as follows:

- Reasonable Access Request No. 2076-1: NC 14 from US 158 near Reidsville, Rockingham County northward to NC 87, then northward on NC 87 to the Virginia/North Carolina State line in Rockingham County.

All weight limits that may exist on this route must be observed.
