Subject: Administrative Rescission of "Trucks Prohibited" Ordinance

The "Trucks Prohibited" ordinance being rescinded in the October 29, 2010, ordinance package is an administrative correction to the ordinance system only, falls outside the scope of general statute §20-115.1(b), and does not need to be sent to the Joint Legislative Transportation Oversight Committee. The basis for this administrative correction is as follows:

- 1050896 – no longer valid due to rerouting of NC 87 on October 31, 1997

This correction should have been included in the October 13, 2010, package with the other administrative corrections for this route change but was missed. Please let me know if you have any questions.
