Mr. Richard McEntire

Old Fort, North Carolina 28762

Dear Mr. McEntire:

This letter is to inform you that we are going to lower the posted speed limit on SR 1107 (Walkertown Road) to 15 miles per hour. As we discussed, you have received agreement of 100% of the people who have a driveway on the State maintained portion of this roadway. There are several property owners that do not currently have a driveway onto Walkertown Road. If in the future, these properties are developed and increase the amount of traffic on this road, we will re-evaluate the speed limit and apply the standard practices at that time.

I have directed State Traffic Engineer Kevin Lacy to issue a speed reduction ordinance for this roadway. Once the Division Office has received this ordinance, they will schedule the sign replacement into their work schedule. The new speed limit will become effective once the signs have been posted.

Please contact me at 919-733-7384 if you have any questions concerning this issue.

Sincerely,

Terry R. Gibson, P.E.
