Kelly- That is fine- you do not need to complete a new form. We will use this correspondence in this case as Kevin's initial approval for NC 87 Bypass. Please let Ron King now he can provide with the signing plan modifications.

Thanks  
Renee

Renee -

You mentioned that I may need to submit a map with the proposed NC 87 Bypass routing for Kevins' approval. Since he's the one who suggested it and everyone is in agreement, do I need to still send this? Please let me know what is needed to move forward with this routing as well so I can notify Ron King about the changes to the signing plans.

Thanks

Renee and Jeff -

Attached is the resolution from the City of Sanford for the relocation of US 421 and NC 87 routing. This should suffice for the AASHTO submittal. By the way, Lee County was also contacted and they are in support.

In recent discussions with Kevin Lacy and Division 8, all are in favor of running NC 87 Bypass along the new route to US 1 as well and keeping NC 87 on its current alignment. Rob Stone has discussed with the City of Sanford and Lee County and they are in agreement. All felt that this resolution is general enough to cover that change too.

Thanks,  
Kelly
