State Highway Administrator  
North Carolina Department  
of Transportation  
Raleigh, NC 27699-1536

Dear Mr. Rosser:

We have completed review of your request submitted through Division Administrator John F. Sullivan III that I-140 from U.S. 17 north of Wilmington eastward 6.80-miles to I-40 north of Wilmington be designated as part of the Interstate System under 23 U.S.C. 103(c)(4)(A). This segment was designated a future part of the Interstate System under Section 103(c) (4) (B) on September 11, 2002.

After careful consideration of the request, I find the requirements of 23 U.S.C. 103(c)(4)(A) and the Section 103(c)(4)(B) agreement for construction to Interstate standards have been satisfied and hereby approve designation of the requested segment as part of the Interstate System.

The route numbering of the Interstate corridor as I-140 was approved by the American Association of State Highway and Transportation Officials on May 30, 2003, and is hereby given final approval. The route description reflecting the 6.80-mile addition, therefore, will read as follows:

I-140 U.S. 17 north of Wilmington from U.S. 17/U.S. 421 split easterly to I-40.

Sincerely,

Thomas J. Madison, Jr.  
Administrator
