Subject: Route Change for US 17 Business and SR 1204 in Edenton, Chowan County

This route change was submitted to AASHTO in 1998 and approved by that body on April 19, 1998. However, no formal route change package was ever completed and distributed. The attached Certificate of Rulemaking is needed to clarify the designation of this route due to the following:

- LRS has this segment of road listed as US 17 Business
- TEAAS has this segment of road listed as US 17 Business
- NCDOT maps have this segment of road listed as SR1204
- Signing in the field is posted as US 17 Business, but there appear to be some locations that are still posted as SR 1204
- Some crash reports as recent as 2011 are still indicating this segment as SR 1204

Please let me know if you have any questions.
