See attached map for route deletion of four segments of NC 150.

See attached map for the rerouting of NC 150 on new location.

Reason/Justification for this route change:

Rerouting segments of NC 150 on new location because of the elimination of Exit 82 and Exit 83 on I-85 and the construction of a new interchange at proposed Exit 84 on I-85. These changes are a result of the I-2304AC (Yadkin River Bridge Replacement) Project.
