## *RESOLUTION OF SUPPORT*

### *FOR THE HIGHWAY 55 RELOCATION PROJECT*

**WHEREAS**, the relocation of Highway 55 will have a very positive impact on the City of Dunn and the flow of traffic within our City Limits; and

**WHEREAS**, the State of North Carolina has initiated the design and planning for this very worthwhile project, which will have a great economic impact on the City of Dunn; and

**WHEREAS**, over the next few years, we believe we will see a great amount of growth on the eastern side of the City of Dunn; and

**WHEREAS**, the relocation of Highway 55 will address the needs of the development and the traffic patterns in this area; and

**WHEREAS**, the City recognizes that there are existing commercial enterprises that utilize Highway 55, as currently located, as their primary means of ingress and egress to their properties; and

**WHEREAS**, the City also recognizes the positive contribution that these existing commercial enterprises have made, and will continue to make to the overall economy of the City and the Greater Dunn area; and

**WHEREAS**, in conjunction with the relocation of Highway 55, the City encourages the developers of the new commercial development projects on the north side of U.S. Highway 421 to include as a part of their new project(s), the construction of a road or such roads as reasonably necessary to provide reasonable ingress and egress to these existing commercial enterprises in such a way that will minimize the impact to these existing commercial enterprises that relocating Highway 55 might otherwise have thereon;

*It's All Right Here!*

**NOW, THEREFORE, BE IT RESOLVED**, by the City Council of the City of Dunn that we strongly support the relocation project of Highway 55 on the eastern side of the City of Dunn to address the economic development concerns and to improve the safety and traffic flow on Highway 55/ Highway 421 area.

Adopted this the 8<sup>th</sup> day of April, 2004.

**CITY OF DUNN**
