To Whom It May Concern,

My name is Representative Brenden Jones, and I am writing to you in support of the City of Lumberton as they apply for the grant entitled "RAISE" from the Federal Highway Administration.

This grant would allow the City of Lumberton to help insure both the safety of pedestrians and school children navigate the streets as well as the drivers within the city. The City of Lumberton operates effectively and effectively, and I know this grant would go a long way in securing a safer future for the residents and visitors of Lumberton.

Without hesitation, I give my full support to the City of Lumberton as they apply for this grant

Sincerely,

Representative Brenden Jones
