TIP Project: U-5748
County: Wake
Description: US 401 AT SR 2044 (LIGON MILL RD) / SR 2224 (MITCHELL MILL RD)
INTERSECTION IN RALEIGH CONSTRUCT INTERCHANGE

MEMORANDUM

TO: Jeremy L. Warren, P.E.
Division Traffic Engineer

FROM: Matthew V. Springer, P.E. 
Signing and Delineation Standards Engineer

SUBJECT: Recommendation for Pavement Marking and Markers

The Signing and Delineation Unit is recommending the following pavement marking(s) and markers to be installed on the above project. This recommendation is based on the type of surface course, project location and Average Daily Traffic (ADT).

If the division does not agree with this recommendation, please respond and provide justification for use of other marking types. If we do not receive a response within two weeks, this recommendation for marking and marker types will be included in the final pavement marking plan.

Roadway	Pavement Marking	Pavement Markers
US401	Thermoplastic	Snowplowable Markers
Y-Lines	Thermoplastic	Snowplowable Markers
Concrete Bridge Decks	Polyurea lines Cold Applied Plastic symbols	Raised Markers

If you have any questions or comments regarding the above recommendation, please contact me at (919)814-5025 or e-mail me at mpringer@ncdot.gov.
