Good morning. No, our office does not have any resolutions of support. The county didn't seem to have an issue with it, based on their e-mail response (see attached) and we still have not hear anything back from the City. If we need to pursue some resolutions, just let me know. Thanks!

I am not aware of any – Jeron do you have anything?

We can probably get it - I think a lot of this was discussed in planning for the new alignments.
