FROM: D. W. Bailey, P.E. *DW Bailey*
Chief Engineer - Operations

J. M. Lynch, P.E. *JML*
State Traffic Engineer

SUBJECT: Alternate Community Watch Sign

Traffic Engineering Branch has approved a logo version of the standard Community Watch sign (M14-13) as an alternate to the standard worded sign. The logo version shall be used in accordance with current policy.

Attached is a copy of the sign design, which incorporates the recognized logo for community watches. This sign includes space for the law enforcement agency or other sponsoring party and telephone number, as provided on the standard community watch sign (M14-13). The logo is similar to that on the NCDOT Crime Watch decal used on NCDOT trucks.

If you have any questions on the use of this sign or need additional information, please let us know.
