MEMORANDUM

TO: Area Traffic Engineers
Assistant Area Traffic Engineers
Mr. J. F. Rosendahl
Mr. G. C. Faulkner

FROM: N. C. Crowe, Jr., P.E. *[Signature]*
Assistant State Traffic Engineer
Field Operations

SUBJECT: Right-of-Way Crossover Involving Closures on
Limited Access Facilities

Attached for your information is a recommendation made by Mr. James E. Rhodes, Manager of the Right-of-Way Branch, concerning Spot Safety Projects and/or Small Urban Projects which would involve the closure of a crossover on limited controlled facilities.

Please adhere to the recommendation in this memo to allow representatives of the Right-of-Way Branch investigate the original Right-of-Way Instruments to determine any ambiguous language or any reference to the establishment of a contract crossover for the benefit of the landowner.
