MEMORANDUM

To: Division Traffic Engineers
From: J. M. Lynch, P.E.
State Traffic Engineer *[Signature]*
Subject: Business Watch Signs

Page 62, Section 2D-36 of the N.C. Sign Supplement to the Manual of Uniform Traffic Control Devices covers "This Area Observed by Community Watch Citizens, etc." signs. This is to advise this office has approved a modification of this sign that can be used in business areas. In this instance, the word "community" will be replaced by "business" and rather than referring to a sheriff's department, the sign can refer to a police department. Attached you will find a sample of the modified sign design.

A MUTCD sign number M-14-13A has been assigned to this sign. Also, a DOT inventory number of 1662850 has been assigned.

When the sign supplement is modified, this change will be reflected in the modified sign supplement. Until then, this memo will serve as your authorization to allow such signs. The cost of the sign, erection, and maintenance of these signs is to be provided by organizations requesting such signs.
