SECRETARY

July 22, 2004

MEMORANDUM

To: Division Engineers

From: W. S. Varnedde, P.E.  
Chief Engineer – Operations

J. Kevin Lacy, P.E.  
State Traffic Engineer

Subject: Stopped Emergency Vehicles – Move Over or Reduce Speed (E-11)

Attached are additional guidelines to the “Standard Practice for Stopped Emergency Vehicles – Move Over or Reduce Speed.” These additional guidelines are intended to assist in identifying the initial installation locations for these signs.

It is suggested the Division Engineer or his designee schedule a meeting with local North Carolina State Highway Patrol personnel to review their requested list of signs and to develop a signing schedule and a priority for sign installations. See attached list.

These guidelines take effect immediately. If further information is needed, please contact either of us.
