

[GO-2] HIGHWAY OBSTRUCTIONS INTERFERING WITH TRAFFIC OR MAINTENANCE

It shall be unlawful to pile, place or leave, or cause to be piled, placed or left temporarily or permanently, any trash, refuse, garbage, lumber, logs, cordwood, tree-laps, scrapped automobile, scrapped truck or part thereof, or any other material upon any road or highway or the shoulders thereof, or within the right of way or over the ditches or drain ways of any road or highway of the State Highway System.

It shall be unlawful to place any highway obstruction, including a driveway headwall, fence, rural mailbox, newspaper delivery box or other roadside obstruction, so as to interfere with the traffic or maintenance of the roads and highways of the State Highway System.

The procedure for addressing the removal of unlawfully placed obstructions within the right of way is provided in section [\[GO-31\]](#) of this chapter.
