MEMORANDUM

TO: Division Engineers

FROM: Brian Mayhew, P.E., State Traffic Engineer *Brian Mayhew*

SUBJECT: Standard Practice for Milled Rumble Strips/Stripes on Non-Full-Controlled Facilities

Attached is the updated standard practice for using milled rumble strips/stripes on non-full-controlled facilities. This updated standard practice is effective as of the date of this memo. This updated standard practice was created and vetted by a team of stakeholders that included representatives from the following areas within NCDOT:

- Division of Highways – Maintenance and Traffic Engineers
- Traffic Safety Unit
- Signing and Delineation Unit
- Roadway Design Unit
- Plans and Standards Management
- Integrated Mobility Division

Please distribute this information to all applicable personnel within your business unit. If you have any questions regarding this standard practice, please contact Shawn Troy in the Transportation Mobility and Safety Division.
