MEMORANDUM

TO: J. D. Goins, P.E.
Chief Engineer

FROM: J. M. Lynch, P.E.
State Traffic Engineer

SUBJECT: 1-800 BYTRAIN Signs

The subject thirty signs have been approved for installation at fifteen selected locations on the state highway system per the attached memorandum. Also attached is an example design. It is requested that either wood or u-channel posts be used to reduce cost to a minimum where feasible. A work order (W.O. No. 9.908025P) in the amount of \$70,000 has been established for charging the fabrication and installation costs.

It is requested that these signs be installed as soon as feasible by the respective highway divisions. The Area Traffic Engineers will contact the Divisions Traffic Engineers involved and work with them in selecting specific locations and assist in ordering the appropriate size signs.
