

[REU-18] ADOPT-A-HIGHWAY PROGRAM

The Department's Adopt-A-Highway Program has become the second largest anti-litter organization in the nation. More than 6,000 volunteer groups have adopted about 13,000 miles of state-maintained roads. Over the years, AAH groups have saved taxpayers over \$30 million in clean-up costs.

To find out how a group can adopt a highway in your community, call 1-800-331-5864.
