

[REU-15] PULL OFF AREAS

G.S. 136-18.4 Provision and Marking of "Pull-Off" Areas

The Department of Transportation is hereby authorized and directed to 1) provide as needed within its right-of-way, adjacent to long sections of two-lane primary highway having a steep uphill grade or numerous curves, areas on which buses, trucks and other slow-moving vehicles can pull over so that faster moving traffic may proceed unimpeded and 2) erect appropriate and adequate signs along such sections of highway and at the pull-off areas. A driver of a truck, bus, or other slow-moving vehicle who fails to use an area so provided and thereby impedes faster moving traffic following his vehicle shall be guilty of a Class 3 misdemeanor.
