GEORGE E. WELLS, P.E.  
STATE HIGHWAY ADMINISTRATOR

MEMORANDUM

Ms. Vicki Hill  
Communications Specialist

FROM: J. M. Lynch, P.E.  
State Traffic Engineer

SUBJECT: Soil and Water Conservation Signing

This is in reference to your memorandum of November 15, 1989 concerning the erection of Soil and Water Conservation District signs on state highway right-of-way.

Soil and Water Conservation District Signs are not considered to be official Department of Transportation signs and therefore cannot be legally erected on the state highway right-of-way. However, this type of signing is allowed outside of the highway right-of-way as long as advertising messages are not displayed.

The proposed blue and yellow signs would be acceptable to the Department of Transportation as the colors for the signs.
