

CLARIFICATION - ELIGIBILITY

19A NCAC 02E .1104 - ELIGIBILITY FOR PROGRAM

Eligibility for a Camping Facility:

A camping facility may qualify to participate in the TODS Program if all requirements in the Statute and Administrative Code are met, and the campground has at least 10 campsites with accommodations for all types of travel-trailers, tents and camping vehicles; has an on premise public restroom and shower facilities in a permanent structure, has adequate on-site parking accommodations, and has at least two of the following NCDOT approved tourist-oriented features, characteristics, or amenities located on the property:

- hiking or bicycle trails
- horse back riding
- fishing
- golfing (excluding miniature golf, driving ranges, chip and putt areas and indoor golf)
- rafting
- skiing
- camping facility offers exceptional scenic or panoramic views such as direct ocean or mountain views or has natural areas such as waterfalls or caverns that are of outstanding interest to the public

Any camping applicant that offers amenities not included in the list above must be reviewed and approved by the State Traffic Engineer on a case by case basis.

Tennis courts, swimming pools, hot tubs, and jacuzzis are not considered amenities for the purpose of qualifying for TODS.
