DEPARTMENT OF TRANSPORTATION

MICHAEL F. EASLEY
GOVERNOR

LYNDO TIPPETT
SECRETARY

January 3, 2006

MEMORANDUM

To: Division Engineers

From: W. S. Varnedoe, P.E.
Chief Engineer – Operations

J. Kevin Lacy, P.E.
State Traffic Engineer

Subject: **TEPPL Topic # T-15** Traffic Generators that Do Not Warrant
Guide Signing On the State Highway System

Attached is the Department's standard practice for "Traffic Generators that Do Not Warrant Guide Signing On the State Highway System". This practice is intended to ensure statewide consistency by restricting signing along NCDOT roadways for facilities, locations, or entities that do not generate a minimum level of traffic by unfamiliar motorists or that the Department does not deem appropriate to sign on NCDOT right of way.

This document has been posted on the Traffic Engineering Policies, Practices, and Legal Authority (TEPPL) web site and is effective immediately. If further information is needed, please contact either of us.
