MEMORANDUM

To: Division Engineers

From: W. S. Varnedoe, P.E.
Chief Engineer - Operations

J. Kevin Lacy, P.E.
State Traffic Engineer

Subject: TEPLP Topic # T-68 – Standard Practice on Provisions for Generator-powered Traffic Signals

Attached is the Standard Practice on Provisions for Generator-powered Traffic Signals. This practice provides that the Department will not install traffic signals on the State Highway System with provisions for alternative power sources.

Please return the original signed letter and attachment and my office will prepare the appropriate distribution. If you have any questions or need additional information, please advise.
