State Maintenance Operations Training DVD Catalog

Development of the Catalog:

This catalog was developed with the assistance of numerous County Maintenance Engineers and their supporting Division offices. Older VHS format training videos were gathered up, converted to a DVD format, and listed in this catalog.

Requests for DVDs

Requests for DVDs can be made by filling out the DVD Category list at the end of this catalog, (pages 38-41). At the top of the form, please indicate which Division and County Yard you are ordering for and check the box on the last column to indicate which DVDs you need. Send these requests to NCDOT-SMO, MSC 1567, Attn: Lee Johnson and provide a copy to your Division Training Coordinator. (The Division Coordinator list can be found on-line under the SMO Training Programs page).

Additions to the Catalog:

If a County Yard or Division office has a video that is not listed in this catalog, and would like it transferred to a DVD format, please send it to NCDOT-SMO, MSC 1567, Attn: Lee Johnson (919) 835-8438.

Questions or concerns about this catalog:

If you have any questions or concerns about this catalog, please contact the SMO office, Lee Johnson (919) 835-8438 or via email: leejohnson@ncdot.gov
