

Questions	Answers
I have a TAB Board meeting next Thursday at 12:30pm. I would love to put this on the agenda and go ahead and have this on the agenda. Can this be sent out Monday morning? I'm not sure my TAB board is going to wish to meet and then meet again. The only other option is to postpone the meeting.	Guidance should be out Monday. Initial amounts should be included.
For SMAP funding/applications - is FY2019 or 20 being used as the base? Interested in the existing SMAP formula and how CARES act funding may impact the SMAP formula allocation.	2019 will be the basis for SMAP.
Will funding be disbursed as one lump sum? or in multiple disbursements?	Currently, Yes.
"Remaining unspent funds will be deducted from amounts..." we were allowed to carry over our unspent from FY20 to use in FY21. Is this what you are speaking about when you say unspent funds? Unspent ROAP, is my question	No, many systems carried over FY20 to 21. That funding would be deducted. You will not be penalized if you carried over funds and spent them.
The entire ROAP amounts for FY22 will be included next week?	Yes
DHHS ROAP Eligible trips are like RGP, not COVID Related????	Correct. There are 3 tiers. Please refer to the August 17 th email that is also at the top of the Dashboard.
Can you provide a link to the revised claim sheet for vaccine funding?	This can be found on the DHHS CARES Amount Dashboard.
For the DHHS money- do you want us to put the total amount we have billed so far on the new claim form before we use it for the 1st time?	We only need the amount claimed. We will acknowledge your claim with a return email and the remaining amount. You can also reference the new DHHS CARES Amount Dashboard.
Can we turn in DHHS money after 9-30-21 so we can include trips up until 9-30-21?	Include trips only through 09/30/21. Guidance will be sent out on the deadline to send in your claims.
Is there a claim deadline for the DHHS funds?	This can be found on the DHHS CARES Amount Dashboard.
Compensation Study Survey - How does resign or retired #s compare to pre COVID-19?	Beth Hamby (KFH) - Responding to the # resigned/retired, the survey asked for the # since March 2020, but not for trends prior to the

	pandemic, so unfortunately we don't know how if this # is typical per-COVID
